

How to Read Your Child's Elementary Report Card

Rather than averaging scores over the semester, the standards-based elementary report cards report on your child's progress toward grade-level expectations, or standards, that students should meet by the end of the school year.

Performance Indicators

- ④ Student is meeting grade level expectations for the end of the year
- ③ Student is on track to meet grade level expectations for the end of the year
- ② Student is making progress towards grade level expectations for the end of the year
- ① Student is beginning to show initial understanding of grade level expectations
