### Holmen School District – Nutrition Services IDconnect® Finger Identification System Opt-Out Form

Dear Parent or Guardian,

As part of our ongoing efforts to enhance meal service security and efficiency, the Holmen School District will be implementing a new identification system called **IDconnect®**. This system allows students to quickly and securely access their meal accounts using a finger identification scanner.

We understand that some families may prefer not to participate in this system. If you choose not to have your child use the IDconnect® scanner, please complete the information below and return this form to:

**mardan@holmen.k12.wi.us**

Or return a printed copy to the District Office (1019 McHugh Rd, Holmen, WI 54636)
