Hi! I'm Amy

I was born in Onalaska and moved back to Holmen after living in New York City. I have a passion for bringing dance and the creative arts to kids (and adults!) all over. It's not just about learning technique, it's about finding outlets for our emotions and learning how to be creative, powerful decision makers.

I studied dance at **Broadway Dance Center** and Viterbo. I also have a degree in writing and graphic design, and speak Spanish after living in Quito, Ecuador.

I am so excited to bring my love for the arts to Holmen and share what I have learned for beginners as well as more advanced artists. It is never too late to learn something new, and the benefits of dancing, songwriting, and the creative arts are profound.

Summer programs are starting soon - would love to see you there!

Can't wait to meet you! *Amy Etrheim*
