

Hi!

I Am Ms. Bey

Teaching is an absolute passion of mine! I am so excited to work with you and your child! It's going to be a year full of fun, learning, and lots of adventures. I can't wait to see what the year has in store for us! I thought you might like to know a little bit about me.

I have lived in La Crosse my whole life. I graduated from Logan High School and then from Viterbo. I have two younger brothers who both live in La Crosse as well. In my free time, I love to cook, spend time with my family, and spoil my cats 😊

This will be my ninth year teaching in the Holmen School District and my third year teaching third grade. It is my mission to instill a love for learning in my students and help them to desire to become life-long learners. Please let me know if you have any questions or concerns. It is so important to keep communication open between us and I would love to talk to you whenever you feel the need. I look forward to a great year together!
