COMMUNITY

PUBLIC INFORMATION AND COMMUNICATION

Philosophical Foundation

The School District of Holmen (“District”) exists as a Community School District. To achieve success, the District must be responsive to the input from the community. Therefore, it is imperative to make every effort to keep the public informed of School District news and information. It shall be the policy of the Board of Education to keep the public informed through the use of the media, (radio, television, newspaper, etc.) and District managed communication resources (website, social media, direct mailings, press release, etc.) as are appropriate.
