## DAY CAMP

Camp Pepin's week-long Day Camps give kids a chance to build confidence, make friends, and explore the outdoors in a supportive setting. Each day is filled with hands-on activities like creative arts, nature exploration, group games, and waterfront fun – all designed to spark curiosity and independence.

Running Monday through Friday from 9 AM to 4 PM, day camp is an enriching way for young adventurers to experience the magic of camp. Transportation is available for an additional cost.

## SUMMER SAMPLER

A perfect first overnight camp experience for campers in grades 1-6!

This four-day, three-night session introduces young adventurers to the excitement of Camp Pepin in a shorter, supportive stay. Campers take part in many of the classic activities of a full-week session, exploring the outdoors, trying new skills, and sharing memorable moments with their cabinmates. With a focus on building confidence, independence, and friendships, Summer Sampler is the ideal introduction to the magic of camp.

## RESIDENT CAMP

At Camp Pepin, every day is an opportunity to discover more, whether it's mastering a new skill, conquering the climbing wall, or paddling on the water. Campers build connections through shared experiences, cabin adventures, and campfire traditions. As they take on challenges and embrace new experiences, they grow in confidence, independence, and a sense of belonging – creating memories that last a lifetime.

## SPECIALTY CAMPS

For campers looking to dive deeper into their passions, our Specialty Camps offer focused skill-building in climbing, outdoor survival, or sailing while still providing the best of traditional camp life.

Each day, campers dedicate extra time to developing hands-on skills and gaining experience in their chosen specialty, guided by knowledgeable staff. Outside of their specialty sessions, they participate in classic camp activities, from campfires to waterfront fun, ensuring a well-rounded and exciting camp experience.

## TEEN CAMPS

Designed for older campers ready to take on new challenges and leadership opportunities, our Teen Camps and Leadership Programs offer an elevated camp experience.

Whether it's enjoying classic camp activities with more independence in Teen Camp, developing leadership skills in our Leaders-in-Training (LIT) program, or gaining hands-on experience working with younger campers in Counselors-in-Training (CIT), these programs help teens grow in confidence, responsibility, and teamwork. With a balance of adventure, skill-building, and community, our teen programs prepare campers for their next steps - at camp and beyond.

We would recommend Camp Pepin to anyone and are so thankful for this incredible experience for our daughter!"*

*"The kids really enjoy the variety of activities, the friendly and global staff, the pretty setting, and the food!"*

*"I always feel like I belong here when I'm at camp."*
