

About Community Care Clinic

With rising health care costs and high deductibles, Community Care Clinic provides our community with affordable, quality family healthcare for the diagnosis and treatment of common medical conditions, digital x-ray, patient lab testing and prescriptions when necessary.

A part of the Bronston Chiropractic family, Community Care Clinic was developed from our vision of integrated health care. Located in the center of the Coulee Region, inside Bronston Chiropractic in Onalaska, Community Care Clinic thrives by treating all patients with quality, accessible and affordable care. Our approach to integrated healthcare ensures that every patient will feel both comfortable and satisfied with the service they receive each and every visit.
