

Foster the Future, Become a Foster Parent!

Did you know that around *8,000 children* are placed in foster care each year in Wisconsin alone?

Many children in foster care are unable to safely return home due to their circumstances and need a *loving* home. Foster families open their hearts and homes to children requiring placement on a short or long-term basis.

Foster parents can be married, single or non-marital partners, homeowners or renters, employed or retired. LSS staff are available to guide parents every step of the way! Other supports include:
ongoing training, education, respite & financial stipend.

To learn more about becoming a licensed foster parent, please contact:
