DR. THOMPSON'S passion to serve families inspired him to create his vision of the **NEIGHBORHOOD FAMILY CLINICS**.

Dr. Thompson has practiced family medicine in the La Crosse area for 34 years and just recently opened his community based clinics appropriately named **The Neighborhood Family Clinics**. Dr. Thompson's passion to serve families caught in the midst of increasing healthcare costs and higher deductibles inspired him to create his vision.

WCA has a special contract with the Neighborhood Family Clinics (NFC) for the School District of Holmen's employees and their family members who are covered under the District's group health insurance plan. All medical services will be paid at 100%. The deductible and co-insurance are waived for medical services.

Note: This does not include any chiropractic services.
