School District of Holmen

June/July 2022

A Message From The District Administrator

As I heard one parent say, there is an energy in the air. We have collectively endured another long Wisconsin winter and a rollercoaster of a spring to arrive at summer vacation. You could feel the excitement in our hallways, classrooms, and playgrounds as the 2021-22 school year has come to a close. Thank you to our staff and community members for all the incredible work, dedication and commitment to our students throughout the year. The success of our District is built on the efforts each of you make day in and day out. Thank you for the passion, talent, energy and care you contribute. Together, we are making a visible difference for our students.

The end of another school year is a time for celebration and a time for reflection on a number of accomplishments. On May 28th, our community honored the Class of 2022 by awarding the 290 graduates with a diploma as they walked across the stage. We wish our newest Holmen High School Alumni the very best as they begin their journey into life's adventure. We also recognized our 22 retirees of the School District of Holmen who have a combined 512 years of service to the District. For those of you who are retiring, I wish you the best. You have contributed immensely to the success of our District. I hope you have great enjoyment in this next phase of your life.

It has been wonderful to reconnect at in person events that had been canceled or changed in the past two years. The school picnics at all of our elementary schools were attended by so many parents and friends and provided such a welcoming atmosphere. Spring concerts showcased the talents of our students to the community at each school. The expression on students' faces as they embarked on their first ever field trip or sang in their first concert has been exhilarating. It has been amazing to take it all in and everywhere you look, there is excitement and energy.

We've come through a year that was filled with both challenges and victories. The number of teams, programs, and

individuals that advanced to the state or national level of their specialty makes for a list too long for this message. Our graduates received more than \$150,000 in scholarships and grants. There were countless milestones achieved by each student in the District thanks to their hard work and the support of staff, family, and community members.

This June/July 2022 Visions newsletter is dedicated to the Class of 2022 and the 2021-22 School District of Holmen retirees. Your resilience, ingenuity, and compassion is an example to us all. I wish you the very best in the next stage of your life journey. Please remember, "Once a Viking, Always a Viking!"

In kindness,

Dr. Kristin A. Mueller
District Administrator

Graduation Night Celebration

Another Successful Event

- A great night was had after graduation at the 2022 Senior Sendoff!! Over 150 graduating seniors attended the late night/early morning party at the high school. There was plenty of food, fun, prizes and memories. This is the 29th year of this event, which was renamed this year.

Thank you!!!

There are so many people to thank for this year's event. We will try not to miss anyone, but apologize if we do.

- **The Planning Committee** was small but mighty. Members included Chris Williams, Mindy Gelder, Leah Stussy, Amy Gerold, Shelley Pederson, and Rhonda Rayburn.
- **Holmen High School and Staff** - especially Wayne Sackett, Laurie Hicke, and Jane McKinney
- **Parent donors** - there are too many to mention, but they came through with everything from food, to beverages, to prizes, to money!
- **Volunteers** - There were so many who helped set up, take down, and volunteered until the wee hours of the morning making this a successful event.
- **Businesses and Community Organizations** - Most of our money and prizes came from these amazing groups

HOLMEN AREA FOUNDATION FOOTPRINTS

By Kevin Baird, Holmen Area Foundation Board Member

The Holmen Area Foundation has wrapped up some service work in the community recently as we transition from spring towards summer. As a highlight for the summer, the Foundation will once again be hosting the Mike Schmitz Memorial at Cedar Creek and then gearing up for an early fall celebration of our 25th anniversary at the Halfway Creek Park.

Before the school year wrapped up, the Foundation awarded grants from our spring window of applications. Buildings with grants awarded include Prairie View and Viking Elementary Schools, the high school and middle school. Most of the grants awarded this round have gone to specialized furniture to accommodate student learning needs. This follows up on the earlier grants awarded that went mostly towards reading supports, field trips, and adaptive snow sledding materials at the elementary level. The next round of applications will be due on July 1 to allow grants to be awarded before the start of the next school year.

We anticipate helping the Grandview Garden Club once more with their flower planting efforts at the triangle on the north end of town by the HD Root Beer Stand. This has become a good partnership in enhancing this entrance into town.

A meal from Sweet Lou's Barbecue awaited all who came to our Pork Feed in the Plaza on June 2, from 4-6:30 pm, the last night before the end of the school year. Funds

raised will go towards our investments in the Foundation to be shared through our grants and other special requests.

The Mike Schmitz Memorial golf tournament at Cedar Creek highlights the Foundation's largest fundraiser of the year. We raise funds to share through grants in the Holmen community and also support the Activities Department at the high school. We hope to have another full slate of golfers (around 140) spend a fun afternoon of golf and camaraderie on Wednesday, June 15. Look for information on social media and other avenues for registration details.

We will be involved as a sponsor of the summer concert series on Sunday evenings at the Halfway Creek Park band shell. It's a great way to end the weekend with a pleasant night of live music. Come out and enjoy this time once again this upcoming summer.

We continue our preparations for a rousing 25th anniversary celebration at the Halfway Creek Park on Saturday, September 17. Homecoming at the high school is the previous evening, so it will be an exciting weekend of get-togethers to celebrate the good in our community this fall.

The Holmen Area Foundation will continue to look for ways to become involved in the community to serve in a variety of ways. We become better and stronger through working together.
