FEBRUARY 2024 . VOLUME 15

ALL TESTED OUT!

February will fly and we will soon be in March. However, we have so many fun things planned!

We finished our Japanese New Year unit right before February. We will also celebrate being done with ACCESS testing, we will celebrate 100th Day of School, Global Play Day, Valentine's Day, and President's Day.

Ms. Vang have left us to be full time at Evergreen. We miss having her around here. However, you can still contact her for any interpreting needs. Her contact information is still the same.

Love, Ms. Yang

FIELD TRIP

Our field trip to the Omni Center is on Friday, Feb. 9th. Please sign permission slips, if you haven't already, and have your student(s) return them as soon as possible. Students will be having an early lunch that day and will also get a snack during the field trip before returning to school. Students will need to have all of their snow gear for this field trip--snowpants, coat, snow boots, mittens and a hat. If you need any of these for your child(ren) please let me know.

VALENTINE'S DAY

Your child(ren)'s classrooms will be celebrating Valentine's Day by passing out valentines. If you need help with this, please let us know. We do have extra Valentines here.

TESTING

The testing window for Forward Testing for grades 3-5 will start on March 18. More information will be sent home soon.

CONFERENCES

Conferences will be in March before spring break. Ms. Vang and/or I will be in contact soon to schedule conference times for families that need assistance.

**KEEP UP WITH US
ON OUR
FACEBOOK PAGE!**

SPRING MUSIC PROGRAMS

Kindergarten

Thursday, March 14 @ 6 pm

Second Grade

Thursday, March 14 @ 7 pm

Fourth Grade

Thursday, April 11 @ 6 pm

Fifth Grade

Thursday, April 11 @ 7 pm

**HAPPY VALENTINE'S
DAY FROM THE BOTH
OF US TO YOU ALL!**

GLOBAL PLAY DAY

Global Play Day is February 8th. Prairie View will be participating in this and students will play most of the day. Our ESL students love coming to ESL to play during their time. However, we are in need of games. If your family have games that you would be willing to share, please send it with your student to school that day.

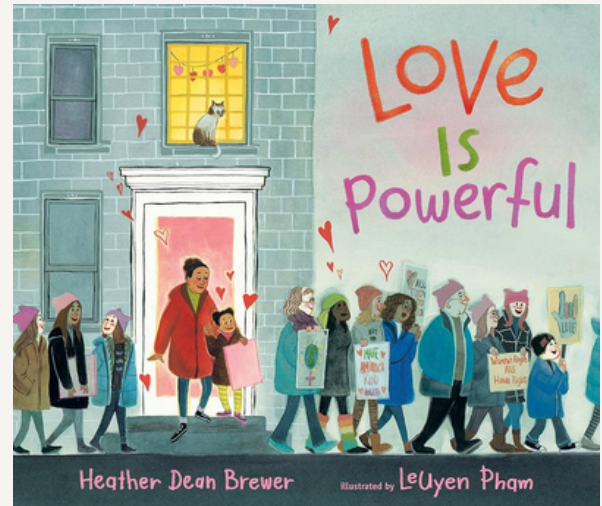

DID YOU KNOW?

It takes 365.25 days for Earth to orbit around the sun. The calendar year gets rounded down to 365 days. To make up for the missing partial day, a day is added to February every 4 years, which makes it a leap year. This year is a leap year. This year, February has 29 days!
