MARCH 2024 . VOLUME 16

MARCH MADNESS

As we dive into March, it's crazy to know that we only have about 3 months left of school.

Last month we worked on research projects (check them out on Facebook) and started writing jelly bean stories!

March will be a shorter month for us as the entire last week will be Spring Break. In addition, grades 3-5 will be state testing.

Conferences will also be at the end of the month. Ms. Vang and/or I can help you schedule conferences if you need us to.

Love, Ms. Yang
