OCTOBER 2023 . VOLUME 11

READY, SET, GO, DONE!

Whether we were ready or not, September flew by and it is already October.

This month we worked on a harvest project after learning about the real reason why Hmong people celebrate the Hmong New Year. Then we shifted our focus on to a corn unit toward the end of September since we will be going to the corn maze. The kids had so much fun with all of our September projects and activities.

It's been a great first month and I can't wait for the rest of the year.

Love,
Ms. Yang
