**NOVEMBER 2024 . VOLUME 21**

### FROM MRS. CLEMENTS

I cannot believe it is already November. October was another busy month. It was super nice to see you all at conferences. The students are really getting used to routines and the new language and math curriculums in their classrooms. We have been reviewing grammar and parts of speech in grades 1-5. Kindergarteners have been working hard on learning the alphabet sounds.

Love, Mrs. Clements

## HELP YOUR STUDENT BE GRATEFUL

Gratitude is a huge part of being positive and a person's well being. Having gratitude has slowly disappeared. Help your child(ren) learn what it means to be grateful.
