 - a. President – I've been a part of the Sand Lake school system since 2014 – almost 10 years now! Our youngest is in 2nd grade and we also have an 8th grader at HMS and a freshman at HHS. I work at GHS Hospice with a background in grief counseling and family systems. I'm hoping to support PTG and our family and school relationships especially through volunteer development. – Beth Allen
 - b. Vice President – With a background in youth organizations, I'm here to lend my support to students, families, school staff and teachers in whatever way I can. Currently I manage the county 4-H program and our twins are in Kindergarten at Sand Lake. I'm looking forward to getting more involved in our school community through PTG! – Em Crook
 - c. Secretary – We have two boys in 5th grade and 1st grade at Sand Lake. I work at River Architects in La Crosse as their business manager, and in my free time I enjoy gardening, reading, and cheering on the Minnesota Twins. I'm excited to be a part of PTG and support our learning community. – Emily Staed
 - d. Treasurer – I am a manager with JRMCPAs, and we currently have a 3rd grader at Sand Lake along with two younger girls, ages 4 and 3. I joined

the PTG in an effort to become more involved with the school and with hopes of enhancing the relationship between parents and school staff. – Betsy Jessie
