**Principal's Report:**

- Kwik Books - 75 students did the Kwik Books BINGO - the format is changing to more of a calendar aspect. Next sheet goes out Dec 3rd, and is due Jan. 7th.
- No feedback from teachers really.
- December's incentive is another squishmallow!

**New Business:**

1. Chuck E Cheese Fundraiser: Friday is the date. Matt shared the envelope, Emily will scan the coupons and share with Melissa, as well as, post of facebook so families can use as they need to. Emily will confirm the mouse for 3:30pm. **The mouse is confirmed.**
2. Fall into Giving Review: GREAT success - we don't have a winner for the cozy party yet. Beth will have to report on that. Do we do it again next year with so much planned for the Fall? Not if we plan on doing a 5K, but still make it an option with back to school. Matt suggested we consider what guidelines we want for teacher requests because they will start coming in. Do we hold off on teacher requests to build a bigger nest egg (funds to use for the 5K?) or do we start granting? We will discuss this more in January.
3. Sand Lake PTG Logos: They look nice, but we're hoping to do something without the tree. It's really busy and hard to use graphically. Also, the school might be rebranding their logo, and it would be nice to accompany that somehow. Tabled for next meeting. Emily might bring some options, too.
4. January Fundraiser: With the success of Fall into Giving, and the Chuck E Cheese, Noodles is postponed. It's a lot of asking. Also Breakfast Buddies is January 14th, so we have a community builder. Tabled for January to decide when we do the next one.
5. Bingo Night Prep Work: DATE: APRIL 10, 6-7PM:
  - a. No raffle license is needed.
  - b. Gym and Cafeteria are reserved.
  - c. We decided to ask the 3 food trucks to come back and then offer 10 coupons for free ice cream with Sugar Rush as some Bingo Prizes. Betsy will reach out to the food trucks
  - d. Prizes: everyone gets a book (Bridgette supplies). 10 coupons for free ice cream. 10 more prizes?
  - e. Bingo rules: Once someone wins, we clear our boards and start over. For one hour, we're anticipating about 6 games/20 winners.
  - f. We need cards, and chips - or should we use beans for chips? Bridgette stated she'll have access to some funds to get some supplies. Emily will see if she has a Bingo wheel. **(Emily can provide cards and bingo wheel)**
  - g. Class Baskets - we'll discuss these more at our next Bingo meeting (Feb 3)

**Meeting ended at 6:55pm**
