March 2024

Dear Parents/Guardians,

Parent Teacher Conferences will be *Tuesday, March 12 and Thursday, March 14 from 4-8 p.m.* each day. *Some teachers will be available for conferences on Thursday, March 21*. You will be using the same internet-based appointment booking system called pickAtime, which was used this past fall to schedule your child's conference. The scheduling website will open at 6:00 p.m. on Monday, March 4 and close at 11:59 p.m. on Sunday, March 10. Each student will be having a single conference, so if there are multiple households, please communicate with each other about who will schedule the online conference. If you do not have internet access, please call our office at 608.781.0974 and your child's teacher will schedule a conference time with you.

Here are the instructions if an account had been set-up in the past:

Go to the district website at <u>www.holmen.k12.wi.us</u> and click on "**Schools**", then select Sand Lake Elementary. Click on "**Parents**", then under "Parents" select Conference Scheduling. Click on **scheduling** link. Enter the email address and password that you created for the Fall 2023 conferences then click "Login/Create Account" or enter. If you have forgotten your password, you can select the "Forgot Password" button and a new one will be emailed to you. Skip to "**Scheduling**".

Here are the instructions for new accounts:

Go to the district website at <u>www.holmen.k12.wi.us</u> and click on "**Schools**", then select Sand Lake Elementary. Click on "**Parents**", then under "Parents" select Conference Scheduling. Click on **scheduling** link. Enter your email address and a password then click "Login/Create Account." This password must be at least 6 characters.

You must then add a student to your account. The **Student ID** is your child's First Name + Last Name (ex. SamuelJones). Enter your student's date of birth in the format mm/dd/yyyy. For example, the date February 2, 2010 should be entered 02/02/2010. For each child at the school, enter the Student ID and birthdate. Then click "Add." *Before* scheduling your first conference, add additional student(s). This will allow you to view multiple students and schedules at the same time.
