

Disclaimer

The nurse's office at school is not a primary care facility. The nurse by law is not allowed to make a diagnosis, prescribe treatment, or administer medication without a doctor's order.

First aid and medical care provided by the school nurse are primarily for illnesses or injuries that occur during the school day.

The material in this site is provided for educational and informational purposes only, and is not intended to be a substitute for a health care provider's consultation. Please consult your own physician or appropriate health care provider about the applicability of any opinions or recommendations with respect to your own symptoms or medical conditions. The use of information provided on this site does not create a doctor-patient or hospital-patient relationship with you.

Should you have any questions about any of the information found on this site, please call your physician or healthcare provider. Please DO NOT disregard your physician or health care provider's advice or delay seeking treatment based on information found on this site.
